Bus Rules

1. All students must abide by school rules to and from school. This includes walking to and from the bus and waiting for the bus and on the bus. Poor behavior while being transported to and from school may result in the suspension of bus riding privileges or given an assigned seat for a period of time.
2. For the safety of all children, the bus driver is always in complete charge.
3. Students should never board a bus unless the driver is in the vehicle.
4. Students must be seated properly at all times and especially when the bus is moving.
5. Students may talk on the bus at a reasonable level.
6. No eating or drinking is allowed on the bus.
7. Any student who wishes to ride a bus, for reasons such as Brownie meetings, visits to a friend's house, etc., must have a note from his/her parent, otherwise the student will be sent home following their regular end of the day arrangements. A parental note is also required if a student wishes to get dropped off at a stop other than his/her regular stop.
8. Students enrolled in the YMCA after school program may ride the Vineyard Have Road bus on days they attend the program.
9. Students will be picked-up and dropped-off on the side of the road which connects to the street they live on.
