

## *Admission of Transfer Students Policy*

---

The Martha's Vineyard Public Schools will enroll and place students who have left Commonwealth charter schools by adhering to the same policies and procedures in place for any other student enrolling in the school district including, but not limited to, examination of the course of study and level of academic attainment of the student when determining the student's appropriate grade placement or eligibility for high school graduation.

To the same extent provided for other students enrolling in the school district, students who enroll in the school district from a Commonwealth charter school shall be subject to the graduation requirements of the school district, may have certain graduation requirements waived, and may make-up certain graduation requirements.

{*Adoption Date*} 10.06.2011 by the Edgartown, MVRHS, Oak Bluffs and Up-Island School Committees
