

## Letter Ff Activities

The letter-sound association we are studying this week is "F f" as in "Fifi Fish."  
Here are some activities you can do with your child at home to reinforce our classroom work.

1. Play a Listening Game. Which words begin with the "F f" sound?

  - d. Felix had a fever for four days.
  - e. You will find fins on a fish.

2. Play a Word Guessing game. All of your answers should begin with the "F f" sound.
  - a. My eyes, nose, and mouth are a part of my \_\_\_\_\_. (face)
  - b. What number comes after four? \_\_\_\_\_ (five)
  - c. A cat has fur and a bird has \_\_\_\_\_. (feathers)
  - d. An animal that swims in water and is caught on a hook is a \_\_\_\_\_. (fish)

3. Thinking: Tell what is wrong with these sentences:

  - b. A frog can fly.
  - c. I turn on the fan when I want to feel warm.
  - d. Feathers grow on a fox.
  - e. I eat french fries with my feet.

4. Have fun with "F f"
  - a. **Float** around the room like a **feather**.
  - b. Pretend to play the **flute** or a **fiddle**.
  - c. Make a **funny face** then see if your mom or dad can make it, too.

5. Make "My **Family Foot** Book." Your child should trace his/her **foot** on a piece of paper. Then he/she should trace each **family** member's **foot** on their own piece of paper. Decorate a cover then staple the pages together to make a book. Have your child look through magazines to **find** the letter "F f" and pictures that begin with the "F f" sound to cut out and glue to each **footprint**. Have your child label the pictures using "invented spelling." Your child should say each word a few times so he/she can listen to the sound at the beginning, in the middle and at the end. "Guess how each word is spelled and write your letter guesses under each picture. Decorate the pages any way you want then read your book to a **friend** or your **father**."
