

Reflection on a Year!

I just wanted to take a moment to thank you for your wonderful children. I have been truly blessed to have them in my class this year. As I reflect on the year, I know they have made me a better person and better teacher. Their honesty, courage, and kindness have shone through each day. They persevered through learnings that at first glimpse, was difficult and challenging to get to the other side exclaiming, "That was easy!". What a joy to see the lightbulb turn on for students throughout the year. They have learned so many things and I am proud of each and every one of them.

So, as you embark on your summer hiatus, remember that consistent practice yields the best results. Some things to do over your break to maintain skills:

*Read consistently 15+ minutes daily. Establish it in your wakeup or bedtime routine.

*Write in a journal for fun.

*Dreambox or Lexia from home.

*Participate in the summer library program.

Enjoy and Best Wishes,
Ms. Lachapelle
