

4th GRADE HOMEWORK

Weekly Assignment Page

Every child is required to bring his/her Weekly Assignment Page to and from school every day. The children copy their assignments from the whiteboard onto their Assignment Page everyday. Please check your child's Assignment Page to see the daily homework or reminders. When their homework is completed neatly and to the best of their ability, please sign the Assignment Page. It needs to be signed every night and comments are optional.

It is important that students have a consistent time for completing their homework. They should do it in an area that is free from distractions and quiet. If your child does not understand an assignment, please feel free to contact your child's teacher. You can email, call or write in the notes portion of the Assignment Page. Students should be responsible for organizing their things. They need to bring their homework into school each day in a homework folder (no crumpled papers are accepted).
