A **city** is a place where many people live and work close together. *There are lots of people, buildings, and cars in the city.*

When you are in the **country**, you are far away from big towns and cities. *There are a lot of trees and fields in the country.*

A **map** is a picture or drawing that shows streets, rivers, and other parts of a place. *We look at the map to see what roads to take on our trip.*
