Vocabulary

community

location

neighbor

A **community** is a group of people who live and work in the same place. Everyone in our **community** went to see the parade.

The **location** of something is where it is. The **location** of my house is across the street from my school.

A **neighbor** is someone who lives near you. My **neighbor** invited our family over for a barbecue.

Vocabulary

earn

safe

together

If you **earn** something, you work hard to get it. My brother rakes up leaves in the yard to **earn** money.

If you are **safe**, you will not be hurt. Jonathan wears a helmet to be **safe** while riding his bike.

When people do things **together**, they do them with each other. The friends love to play soccer **together**.

ESSENTIAL QUESTION

What makes each of us special?

Books of the Week

Vocabulary

celebrate

different

special

When you **celebrate**, you do something fun to remember a special person or event. Let's have a party to celebrate your birthday.

If something is **different**, it is not the same. *The red flower is different from the others.*

Something is **special** if it is different from others. *A peacock is special because it has colorful feathers.*

Vocabulary

participate

pronounce

research

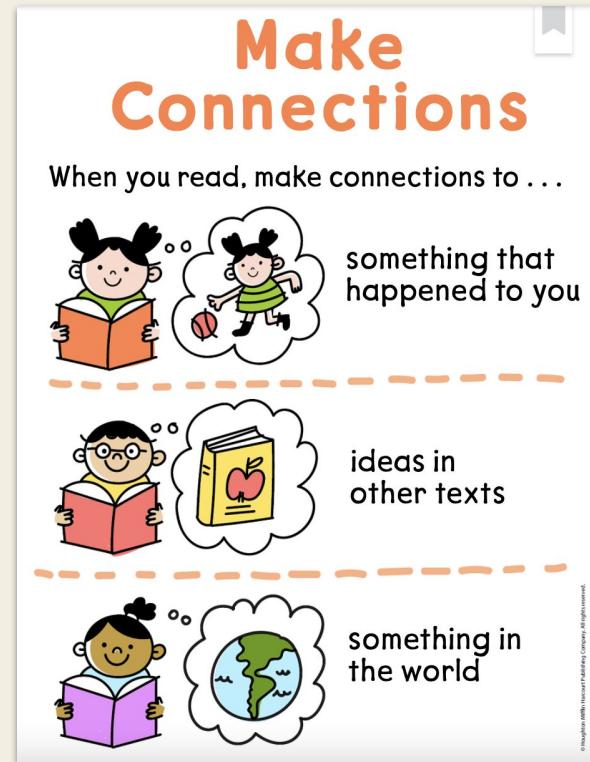

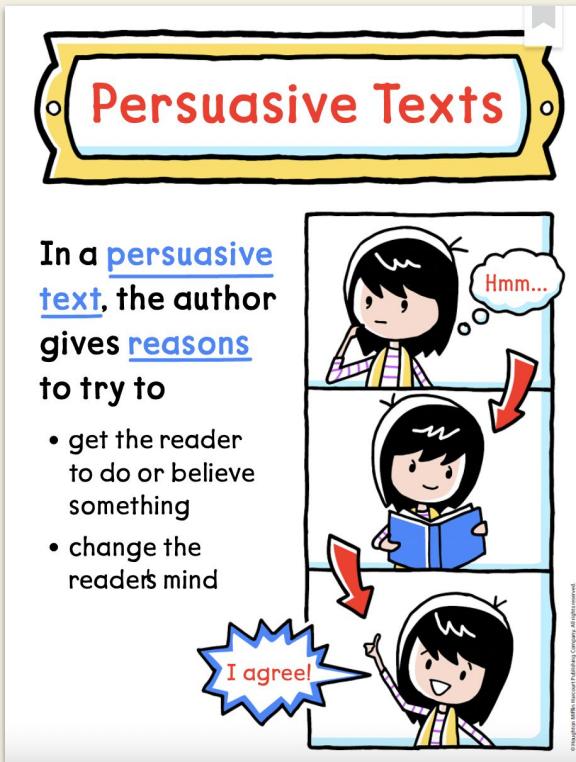

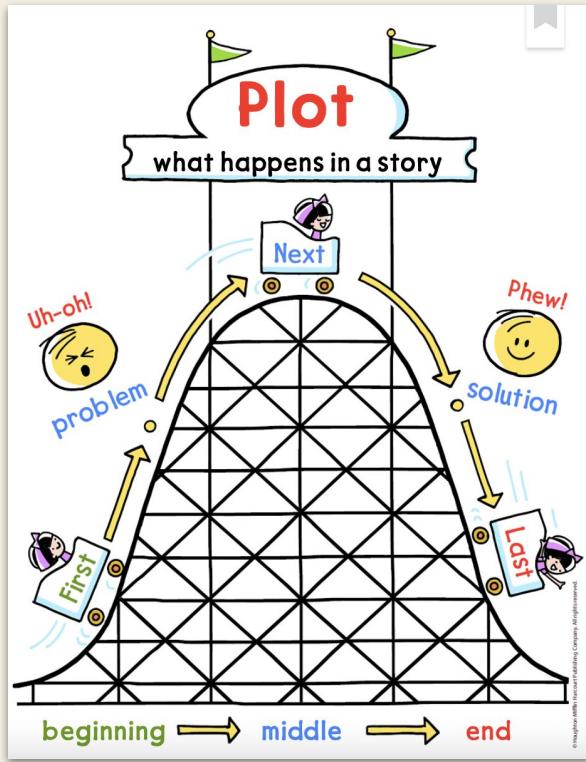

To **participate** in an activity means to do an activity with others. *At the end of the school year, my friends and I participate in a tug of war.*

To **pronounce** a word means to say it in the correct way. *When I read aloud a book, I try to pronounce each word carefully.*

To **research** means to look for information that answers questions about a topic. *Hildy went to the library to research information for her science project.*

Check for Understanding

STOP and think:

Do I understand what is happening?

If not, then:

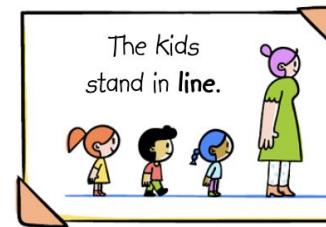

- reread
- use what you know
- look for clues
- ask questions

Illustrations by Jennifer Zivoin © Scholastic Inc.

Meaning Clues

clues to help figure out what a word means

Look at pictures.

The kids stand in line.

Vocabulary

clue

mistake

puzzled

A **clue** is information that helps you find something or solve a problem. I looked closely for a clue to find the missing lunch box.

When you make a **mistake**, you do something the wrong way. My teacher told me it's OK to make a mistake as long as I try hard.

If you are **puzzled**, you are not sure what to do. The girl is puzzled by the game she is playing.
