Martha's Vineyard Bank School Banking Days

Welcome Back to School Bank Day Edgartown Elementary School Bankers

School Bank Day will begin **Thursday, September 23, 2021.**

If you are an existing student banker from years past your savings register is at the School Bank on file and ready to go! If you would like to open an account to participate in the School Savings Program at your elementary school please contact Patti Leighton, Community Relations Director at Martha's Vineyard Bank 774-310-2030 or complete the attached signature form, return to school in the envelope provided, & turn in to your teacher.

The same Safety protocols are in effect for School Bank Day. Each student banker is assigned a new cleanable coin wallet to bring their banking into school each week. Student Bankers please reuse the coin wallet provided to you from last year. If you need a replacement coin wallet please let us know and one will be provided. Once turned in to their classroom teacher the contents will be processed, the coin wallet is then disinfected, and returned to student bankers to bring home for the next Banking week.

Please call School Bank Coordinator, Brooke Leahy at 617-680-2323 or Patti Leighton, Community Relations Director at Martha's Vineyard Bank, direct line 774-310-2030 for more information.
