FYI - There were no minutes taken but here is the confirmation from John Stevens that the SC approved the Synergy training expenditure out of the reserve line. The Cape Light Compact no cost contract was ~~also~~ approved.

Hi Shelley, at this morning's school committee the Synergy training expenditure out of the reserve line item was approved. The no cost contract with Cape Light Compact was also approved. This contract will be presented by Alan at Monday's selectboard meeting for the town's approval. After the discussion about the Synergy training, Gina asked who would be attending the table top exercise and asked if she could attend. It would be recommended that both fire and police chiefs, school administration and any other staff in a leadership position be present for the table top.....it's your call as to who attends this exercise. Some schools have their safety committee attend. Let me know if you have any questions.

Best, John
