Friday, May 9th, 2025

Beginning Tuesday, May 13, we will be celebrating the last 26 days of school with an **ABC Countdown to Summer!** The alphabet has played such an important role in our learning this year, so it feels only fitting to wrap up our time together by celebrating the letters that helped us learn to read and write.

Each day will be assigned a letter and include an activity (or activities) that begin with that letter. Some days may require students to bring something from home or have a little extra help from you. However, the majority of the activities will be school-based and provided by us.

This is such an exciting time of year! The countdown is a fun and meaningful way to keep your child engaged and learning through the end of the school year. Please keep the calendar handy so you and your child know what each day involves—if anything.

Many thanks!
Miss. Williams
